

Community Bond Oversight Team

Membership

- Members agree to serve through the life of the three-year bond program, summer of 2018.
- Members agree to attend quarterly meetings with dates and times to be determined by the team. Attendance is strongly encouraged for any additional meetings scheduled.
- The Superintendent will appoint any vacancies.

Duties

- Duties include the receipt of timely reports on the current and planned implementation of the bond program, to review and assure that such implementation is consistent with the program approved by the voters, and to be advised regarding the status of the bond program.
- The team shall advise the district leadership regarding any modifications or polices concerning the bond program.
- Members will serve as liaisons and key communicators to the community regarding the bond program.

Meetings

- The team will meet quarterly at a minimum with additional meetings scheduled as determined by the team and district.
- Minutes of each meeting will be provided to the team, Board, and posted on the district website for the public.
